

*COMMONLY ASKED QUESTIONS CONCERNING
GHRRA AND HRNSW*

As Participants are aware in February 2003 the Authority of the Harness Racing Industry was segregated between:

- Greyhound and Harness Racing Regulatory Authority (GHRRA) –
 - Responsible for Regulatory Activities

- Harness Racing NSW (HRNSW)
 - Responsible for Commercial Activities

The Roles/Responsibilities of both Organisations have been defined and are detailed in the relevant Acts.

However, despite this, there still appears to be a lack of Industry awareness in relation to which Organisation handles which function.

To assist Participants, detailed below is a list of Commonly Asked Questions to assist in gaining a better/clearer understanding of the Organisations.
